Re: Offer of Settlement In Lieu of Filing a Formal Disciplinary Complaint

Dear Ms. Deutsch:

This letter is to advise you that the New Jersey State Board of Physical Therapy Examiners (the "Board") has had an opportunity to review information concerning your reinstatement of license to practice physical therapy in the state of New Jersey that was received on or about December 27, 2005. Specifically, the information reviewed included the reinstatement application that indicated that the last renewal was due January 31, 2002 or within thirty (30) days of this date. You acknowledged that you continued to work as a faculty member at the University of Medicine and Dentistry of New Jersey teaching physical therapy students and conducting research in a lab. You further informed the Board that "your research related contact with individuals post-stroke who are participating in clinical studies. All patient examinations were performed by physical therapists who were hired or were graduate students." It is the position of the Board that the teaching and supervising of students in physical therapy is within the scope of practice of physical therapy and requires a license as set forth in N.J.S.A. 45: 9-37.13 and 45: 9-37.19. Furthermore, the physical therapy licensing act does not provide an exemption from licensure for an individual who is teaching physical therapy students or conducting research. Therefore, the Board determined that during the period in question you continued to engage in the practice of physical therapy while your license was suspended.

Upon review of all available information, the Board has preliminarily found that probable cause exists to support a finding that you violated N.J.S.A. 45:1-7.1(b) and (c) in that you failed to renew your license within thirty days of the January 31, 2002 renewal period and you continued to practice with a suspended license for four years from January 31, 2002 through January 31, 2006.

MAY 23 2006

At this juncture, the Board has preliminarily concluded that the above violations are sufficient to warrant the initiation of formal disciplinary proceedings against you. Notwithstanding that decision, however, the Board has determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of disciplinary proceedings, should you consent to:

1. Cease and desist in the future from continuing to practice physical therapy without a valid current license.

2. Pay a penalty in the amount of \$4000.00 consisting of \$1000.00 for each year you continued to engage in the practice of physical therapy while your license was suspended (to be paid immediately upon your signing of the acknowledgment at the bottom of this letter by sending a certified check or money order payable to the Board of Physical Therapy Examiners, attention Susan Gartland, P.O. Box 45014, Newark, New Jersey 07101.

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office. Upon your signature, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of appropriate enforcement action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil penalties in an amount greater than that herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order, requiring you to reimburse certain monies and/or requiring you to pay costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General ,Carmen A. Rodriguez who may be reached at (973) 648-3696.

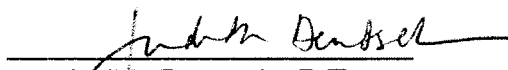

If you elect to settle this matter presently, you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney General's Office for the initiation of appropriate enforcement proceedings.
